Experience

Hearst Media Production Group

Freelance Video Editor/Animator, 2026 (Los Angeles, CA)

Responsible for designing and animating motion graphics featured in the NBC documentary show Mutual of Omaha's Wild Kingdom Protecting the Wild.

Kooth Digital Health

Media Producer, 2025 (Los Angeles, CA)

Responsible for project managing the creation of media content for the mental health app, Soluna. Worked as a production coordinator, providing clear feedback/notes across various teams, and providing final deliverables. In addition, worked as a video editor, video director, and copywriter.

Cloudco Entertainment

Digital Media Producer, 2022-2025 (Cleveland, OH)

Responsible for creating, developing, and producing animated shorts for the Care Bears social media channels. Worked as a production coordinator, providing creative leadership and acting as a liaison between US and international production teams. In addition, worked on organizing production logistics for Care Bears costume characters appearances at special events around the country.

Cloudco Entertainment

Social Media Associate, 2020-2022 (Cleveland, OH)

Responsible for creating animated and live-action video content for the Care Bears social media channels. Worked to maintain a consistent publishing schedule by tracking project progress and proactively planning future content.

Aquent Studios

Digital Media Creator, 2018-2020 (Cleveland, OH)

Responsible for creating motion graphics animations, working in post production (editing, compositing), and working to help a video production crew capture video coverage at conventions and events.

Cleveland Clinic

Media Production Specialist, 2017-2018 (Cleveland, OH)

Responsible for producing and editing video and motion graphics content for Cleveland Clinic's social media channels. In addition, I worked in the creative development of various marketing campaigns.

American Greetings

Story Artist Intern, Fall 2016 (Cleveland, OH)

Responsible for leading a story artist team to create storyboards and animatics for several 3D animated Care Bears shorts.

NBCUniversal

Creative Intern, Summer 2016 (New York, NY)

Responsible for designing off-air graphics for digital distribution across BRAVO TV social media channels. In addition, contributed to branding ideation and logo development for various BRAVO TV shows such as The Real Housewives.
